

# XTEK taps into the US market

10<sup>th</sup> August 2020

Philippe Odouard, Managing Director of XTEK talks us through its capital raise of over 10 million dollars, following its strong revenue predictions for FY20.

The video player interface includes a video feed of Philippe Odouard, two stock charts for XTEK (XTE) showing price movements over 1 year and 3 years, and a news ticker at the bottom with the headline 'XTEK to raise \$9.2M via placement' and other market data like 'chi-x Corporate Travel 9.73 = 0.00%' and 'Dow Jones (DIA) ▲ 0.26%'.
